

SIR C R REDDY COLLEGE, ELURU

(Autonomous)

78th COLLEGE ANNUAL DAY CELEBRATIONS

16th MARCH, 2024

COLLEGE ANNUAL REPORT FOR THE ACADEMIC YEAR 2022-23

Myself Dr. K. A. Rama Raju, Principal of a premier higher educational institution i.e. Sir C R Reddy College standing before you to present annual report of the college for the academic year 2022-23

History of our College

At the outset, I take this opportunity to pay floral tributes to Sri Alluri Bapineedu, the Architect of Sir C R Reddy Educational Institutions on the occasion of his 113th Birth Anniversary. He is an embodiment of selfless service, integrity, honesty and sincerity. As he contributed his mite for the development of Sir C R Reddy Educational Institutions, he can be called the father of Sir C R Reddy Educational Institutions.

1940s can be described as a decade of war, victory, fostering peace and reconstruction. At that time the Indian War of Independence was at the pinnacle of its glory, the British were no longer able to rule the roost; India was all set to break the shackles of slavery, colonialism and despotic rule. Some visionary leaders regarded education as a potential tool that can bring about societal transformation, wealth generation, enlightenment, scientific attitude liberation from superstitious myths and misconceptions etc. Consequently efforts were made to start educational institutions at important places throughout the Country.

In the Godavari Delta, Andhra Pradesh Late Sri Rao Saheb Damaraju Venkata Rao, the then Chairman of the Municipal Council, Eluru spear headed the efforts of establishing a Higher Educational Institution in the name of Sir C R Reddy College in Eluru. He played a significant role in procuring the land and required approvals to start educational institutions in Eluru. The college was inaugurated on 4th July 1945 by Sir Cattamanchi Ramalinga Reddy, the distinguished educationist and the then Vice-Chancellor, Andhra University. So this college started its journey from 4th July 1945 and since then this institution has been catering to the educational needs of the students from rural areas and socially and economically backward classes. Sri D S Subrahmanyam the first Principal of this college was a renowned physicist. He led his team from the front. He showed us how to nurture the young minds and transform them in to successful individuals.

Sri Alluri Bapineedu played a pivotal role in providing physical and learning resources for the institutions so as to enable it to offer quality education to its stake holders. He offered his blood, toil, tears and sweat for making Sir C R Reddy College, a premier institute of higher learning in the state. It is matter of joy for me to note that our honourable President Dr. Alluri Indra Kumar garu is the grandson of Sri Alluri Bapineedu. Naturally children inherit properties from their fore fathers, similarly our honourable President inherited noble qualities such as leadership skills, philanthropy, humanity, positive attitude etc. from his grandfather. Our honourable Secretary Dr. MBSV Prasad and his father were also studied in this college. I see a sense of pride and belongingness in his eyes whenever he proclaims that.

We have achieved tremendous progress in the last 78 years. Our Sister Institutions: Sir C R Reddy Polytechnic College (1980), Sir C R Reddy College of Education (1984), Sir C R Reddy Public School (1984), Sir C R Reddy College for Women (1987), Sir C R Reddy College of Engineering (1989), Sir C R Reddy College of Pharmaceutical Sciences (2007), Sir C R Reddy College of Nursing (2018).
