System of Feedback – Action Taken Report (2018-19)

Feedback: At the outset, we have collected feedback from stakeholder's viz., Students, Alumni, Parents, Employers and Teachers on curricular aspects either through personal or online mode. After completion of collecting data, the same has entered into computer and thoroughly analysed and also suggestions have recorded. After that action taken report of the feedback is recorded. As curriculum determines the destiny of the generations of students who are coming out of the institutions, at most care and concern has been taken and due diligence is applied in the process of design and development of the curriculum. Board of Studies (BoS) constituted for each Programme of study comprises of University Nominees, Subject Experts and all the faculty members of the College. Student Nominee and Industrial expert are also make part of the BoS which discuss threadbare the issues related to the revamping of the curriculum. While revising the curriculum, feedback from the student nominee and Industrial expert were taken into consideration.

Action taken Report: Feedback is prepared with scope for making comments on areas components of the curriculum compilation of the feedback obtained from the students will be taken for consideration of syllabus revision. Feedback received from the alumni also analysed and compiled which is further processed for the development of the curriculum. The employers who absorb our students through campus and off campus interviews are given the feedback and analysed also the employees schedule was served whenever students went on field trips or internships to industries or institutes they helped to assess the existing job market and skills needed in students to complete with the demand ratio at various kinds of jobs.

The feedback from the students was used to introduce new certificate courses and UG courses. The college also provides skill training in APSSDC Centre. Based on the suggestions through constructive feedback, the syllabi of the courses modified, designed and received from the faculty alumni and employers necessary inputs will be given to the various subjects BoS. In term, the BoS of different subjects will design and develop the curriculum.

Feedback on Curriculum: Student's feedback on curriculum vastly helped to tailor all courses by adding women centre. Skill oriented and job oriented. Increase in the number of certificate courses, skill oriented courses. Evaluation of staff by students and principle's evaluation of faculty schedule: these schedules helped vastly to improve teacher quality and performance. The

schedules, designed keeping in view the quality indicates stipulated by NAAC help faculty schedule augmented team spirit and helped developed better work relationships at the departmental level. The analysis made by the IQAC was deployed to the departments concerned and ample steps were taken. Students as they entered the college and also recorded the feelings of students as to whether their expectations were met. The feedback from these schedules was used to introduce new certificate courses and U.G courses.
