Women Development Cell of Sir C. R. Reddy College, Eluru, in association with State Women's Commission, A.P has organised a National Seminar on 8th February 2019 on the topic Empowerment of Women: Recent Trends and Challenges.

Models Exhibition & Poster Display:

Before the inaugural session, the chief guest of the occasion Smt. Nannapaneni Raja Kumari, Chairperson of State Women's Commission, A.P has inaugurated the exhibition and posters display on the theme of the seminar in the presence of the management committee members of Sir C. R. Reddy Educational Institutions. The exhibition models were prepared by the PG and UG students including +2 students of Sir C R Reddy Public School. All the models and the posters were received appreciation from one and all.

Inaugural Session

The Inaugural Address was given by Smt. Nannapaneni Raja Kumari, Chairperson, State Women's Commission, A.P. She gave very valuable message to all the adolescence youth to be alert and aware, not to fall prey towards anything which are very attractive given as presents by others. Be emotionally in control and develop knowledge of self, family, society and nation. Beware of all the circumstances and develop yourself like a powerful individual.

First Technical session:

The seminar's keynote address was given by Smt. K. G. V. Saritha, S.P. Women Protection Cell of A.P, Mangalagiri. She has given a magnificent speech in detail how the earlier women fought to take on education which was not allowed saying girls are meant only for kitchen not to attain any education.

In this Technical Session – 1, there were 10 paper presentations thru PPT each with 5min duration.

Second Technical session:

The session was chaired by Dr. D. Malathi Rekha, Associate Prof., of Department of Economics, SV College of Arts and Science and Smt. G. Lakshmi Saraswathi acted as co-chair of the session.

In this session Prof. Vijaya Khader of Acharya NG Ranga Agricultural University has given a speech about how to be healthy and hygienic conditions to be maintained. The country has progressed in different fields and the explosion of information, the current scenario of nutritional status of the vulnerable sections of the community in India is quite disturbing. 10 papers were presented in this session.

Third Technical session:

In this session Dr. R. Uma Devi of Pondicherry University has given a speech about Scenario of Women Education and Women Empowerment In India. She explained, women's empowerment and achieving gender equality is essential for our society to ensure the sustainable development of the country.

In this Technical Session – 3, there were 10 paper presentations thru PPT each with 5min duration.

Fourth Technical session

This session chaired by Dr. P. Paul Divakar, Prof. of Physics of Sir CRR College, and D. Vijaya Sri Asst. professor, Department of Physics, acted as co-chair of the technical session, the venue of the session was IQAC Hall. This session is completely competition session. Smt. U. Aupama. Smt. K.Padma and Kum.V. Manohari acted as Judges. Students from different colleges presented their PPTs on the theme of the seminar for competition.

Valedictory Session

The Valedictory Address was given by Dr.Mullapudi Renuka, Director of RERA, A.P., stated that how the girl child should get her education and move forward in an independent way rather than being a dependent person on any. Independency gives the power of confidence and allows you to take any decisions of your own rather than being a follower on others opinion. She gave a message 'Be Independent but not a Dependent'. Girls should be brave, open and confident upon themselves and that comes out only through proper education.

The PPT's competitions winners' prizes were given by Smt Dr. Mullapudi Renuka and also Participation certificates were distributed. Finally vote of thanks was proposed by Smt. Ch. Mahitha.

On the whole the National Seminar was a grand success as there were many eminent dignitaries who have attended by giving their valuable advises and suggestions to society thru the electronic and print media.
